REMARKS

An inquiry into the status of the above noted application was made to Customer Service at 888-786-0101 on June 24, 2005, wherein it was learned that there is a balance due of \$15.00. The Issue fee was believed to have been paid in full back in December 2004. On or about December 14, 2004, Applicants mailed the Fee transmittal along with the amount due listed on the transmittal. No notice of a balance due has been forwarded to the Applicant or to Applicants' undersigned representative. Because of this, it is requested that the correct balance due be paid immediately and the patent term adjusted accordingly.

Should there be any questions or concerns, the Patent Office is invited to contact the undersigned at (404) 607-9991.

Respectfully submitted,

By:
